Terms & Conditions of the Master Policy of Insurance Issued to the Good Sam Club for Tow Vehicles

COVERAGE SECTION

These Terms and Conditions of the Master Policy issued to the Good Sam Club and **Your** Evidence of Insurance (hereinafter referred to as **Coverage**) are between the Good Sam Club (hereinafter referred to as **WE, US and OUR**), our insurance company, and the Purchaser (hereinafter referred to as **You and Your**), and provides **Coverage** recorded for the time and mileage, whichever occurs first, as stated in the Evidence of Insurance. This **Coverage** constitutes **Your** entire agreement and supersedes any and all previous agreements whether written or oral and any other representations made by anyone in any form.

The limits, terms, and conditions of **Your Coverage** are important. You should read and understand the terms and conditions below.

MECHANICAL BREAKDOWN COVERAGE

We will provide payment to **Your** Repair Facility or reimburse **You** for reasonable costs of labor and materials (approved and receipted) to repair or replace any of the covered parts under this **Coverage** if required due to **Mechanical Breakdown**. A "**Mechanical Breakdown or Breakdown**" is defined as failure of a defective covered part or faulty workmanship of a covered part as originally supplied by the manufacturer and under normal service. A covered part has failed when it can no longer perform the function for which it was designed solely because of its condition and not because of the action or inaction of any non-covered parts. **Replacement will be made with like kind and quality to include rebuilt or remanufactured parts. Parts may be upgraded to "new" at owner's expense.** **Coverage** includes manufacturer recommended fluids and filters (**excludes fuels**) when required as part of a covered repair. Coverage includes manufacturers' deductible when paid by the contract holder for a covered repair.

You must maintain **Your Vehicle** in accordance with the service requirements set forth in these Terms and Conditions to keep this **Coverage** in force. Evidence of proper service will be required in the event of a claim (See "**Your Responsibilities**" section).

In the event of a **Breakdown**, **You** must pay the deductible as stated in the Evidence of Insurance for each visit and pay any non-covered expenses. Freight and shop supplies are covered in conjunction with a covered repair to a combined maximum of \$50.00.

YOUR RESPONSIBILITIES

To receive the full benefits of this **Coverage**, You must at **Your expense**:

1. Have the vehicle serviced as recommended by the manufacturer. **Failure to perform the aforementioned maintenance will result in claim denial.**
2. Keep a record of maintenance validated (signed and stamped) by the licensed repair facility, and keep receipts and work orders showing date, mileage and service performed. For services done by **You**, keep a personal maintenance record with date, mileage and service performed including any receipts for products purchased to carry out that aforementioned maintenance. **Failure to retain receipts and supply them to the claims office, when requested, will result in claim denial.**

TRANSFERRING / CANCELLATION OF COVERAGE

Transfers: In the event this **Coverage** is not canceled, it may be transferred to an individual for non-commercial use to whom **You** sell the vehicle while this **Coverage** is in force. Prior to the transfer of coverage the following information must be received by Extended Service Plan: New owners name, address, phone number and Good Sam Club membership number within 30 days of the change in ownership. **You** must provide the new owner with all maintenance and repair records and the policy must be paid to date or paid in full for the transfer to occur. After the transfer if any portion of the premium remains unpaid, the new Purchaser will assume the responsibility for payment of the balance of the premium.

Cancellation: This **Coverage** applies only to **You** and the unit described in the Evidence of Insurance. In the event of cancellation of this **Coverage** within 30 days of the purchase of the **Coverage**, We agree to refund the full purchase price to **You**, less any claims paid or approved. If this **Coverage** is canceled beyond 30 days from the date of purchase of the **Coverage**, We will calculate and make a pro rata refund based on time, less an administrative fee of \$50.00. Requests for cancellations may be received by phone or in writing. **We** may cancel this **Coverage** for: 1) Non-payment of the premium or 2) Intentional misrepresentation or fraud in obtaining this **Coverage** or in the submission of a claim.

TRIP INTERRUPTION

You will be reimbursed for up to ten (10) days of (receipted) costs for meals, lodging and rental car expense incurred by **You** and **Your** family while staying at a hotel/motel or campground in case a **Mechanical Breakdown** causes a delay en route. To qualify for this benefit, **You** must not be able to utilize **Your** Tow Vehicle due to a **Mechanical Breakdown** covered under this **Coverage** and **You** must be more than one hundred (100) miles from home.

The covered period will begin on the date of the **Mechanical Breakdown** and one (1) day of travel benefits will be paid for each eight (8) hours, or portion thereof, of authorized labor time required to complete the repairs. Up to two (2) days will be included in the event an inspection by an outside source is required to determine if repairs are covered under this policy. No travel benefits will be paid for delays beyond the control of the repair facility, such as waiting for parts shipments. Expenses will be reimbursed up to \$100.00 per day for meals and lodging and up to \$60.00 per day for rental car costs.
